What your child needs for summer camp...

1. A positive attitude, the ability to adapt to change, and ability to listen to and follow directions as well as make good choices.
2. A sleeping bag or blanket and pillow for quiet time. Items should be labeled and stored in a Ziplock XXL bag. These items will need to go home every Friday.
3. Sunscreen. This should be applied **before** they come to camp. If your child is very sensitive to the sun a hat or cap would be appropriate.
4. Water bottle. This should be labeled and taken home every day.
5. Change of clothes. Children have accidents whether it be bathroom or activity related. These should be labeled and kept with their sleeping bag.
6. The past two years we have participated in the USDA Food Program. We are scheduled to participate again this year. If something changes and we do not get to participate, a bag lunch and drink will need to be provided by you for your child every day. Please limit what we must heat because we have only one microwave. A sandwich, piece of fruit and vegetable/chips, along with a drink is sufficient for most children. We provide a morning and afternoon snack.
